

Are you passionate about making a real difference in people's lives through sustainable water, sanitation and hygiene solutions? Join **ÁGUA POR ÁGUA (ApA)** as a **WASH Specialist** in Mozambique and be part of our mission to ensure fair and sustainable use of water resources. In the last years ApA has been providing safe WASH services to social institutions, improving sanitation in communities, and running the local soap production business **YAKOKO**.

ApA is part of the non-profit organisation **WASSER FÜR WASSER (WfW)**, German for „water for water - agua por agua“, that was founded in 2012 in Switzerland. The establishment of the local organisation ApA in Mozambique was a pivotal milestone in the organisation's journey, underlining the strategic expansion of WfW into Mozambique and a significant step toward realising the vision of interdependent WfW organisations spanning two continents. Still in a start-up phase as a local institution, we're looking for a dynamic individual to help us expand our impact and drive positive change in Mozambique.

Do you want to be part of a long-term mission to build up a local organisation and sustainable WASH services? Do you want to learn how to develop innovative and first-of-its-kind approaches? Do you have a let's-get-it-done attitude? Do you want to live and work in Maputo? Then join **ÁGUA POR ÁGUA** as a

## WASH Specialist (40-100 %)

### Your Tasks

- Responsible for the implementation of WASH components in all our activities
- Construction planning, material procurement, and supervision for maintenance and repair works of WASH infrastructure in social institutions
